

RAILROADS QUIT
SUIT ON KING BILLWILL SUBMIT TO INCREASE IN
TAXATION\$10,000,000 ACCRUED
TAXES WILL BE PAIDState Law Which Raised Assessment
From 5 1/4 to 7 Per Cent Wins In
Test—Case Now In Supreme Court
To Be Dismissed.

Sacramento.—The fight made by leading railroads in California against the King tax bill, under which their taxes were raised from 5 1/4 per cent of gross earnings of 7 per cent will be abandoned. Within the next five months the roads will pay into the state treasury a sum approximating \$10,000,000.

Announcement of the abandonment of the appeals which the railroads made from the decision of the United States circuit court to the supreme court, was given out by the railroads in a joint statement. When the case is called for hearing before the supreme court in Washington on March 2, the railroad companies will consent to the granting of a motion to dismiss by the attorney general of California.

The announcement followed a conference between Attorney-General U. S. Webb, his deputies, Robert W. Harrison and Frank D. Guereña, Judge M. C. Sloss, representing both the Southern Pacific and the Santa Fe, and Guy V. Shoup and Henley C. Booth of the former company. After the conference, counsel for the railroads issued the following statement:

"When the King tax bill suits were brought and at all times since then, we have been of the opinion that the effect of the application of the rates prescribed by the present law was to make taxes on railroad property greater in proportion to value than the taxes on ordinary property in the state and to burden interstate commerce. The opinion of Judge Dietrich showed that he agreed with our contention that the power of the state to tax our property is not unlimited, but is controlled by the restrictions of the interstate commerce clause of the federal constitution.

"He also, as his opinion indicates, felt that the King tax bill did impose upon us a burden of taxation in excess of that levied on other properties in the state, but took the view, nevertheless, that the discrimination shown was not sufficiently great to justify the court in granting an injunction against collection of the tax. As matters stood at the time of the decision, we felt it our duty to appeal to the supreme court of the United States, but after further consideration and in view of the finding in effect of Judge Dietrich, that the limit of taxation had been reached, we concluded to abandon the appeal."

The King tax bill was passed in 1921. The railroads secured a temporary injunction and the case went from state courts to the United States circuit court. The companies have regularly paid the 5 1/4 per cent gross earnings tax, but have withheld the 1 1/4 per cent additional under orders of the federal court pending the litigation. The railroads early in February paid the full tax for the previous year to the state for the first time, which was taken as an indication of future policy.

According to a statement issued by M. D. Luck, secretary of the state board of equalization, the payment of the protested taxes will put the state in the best financial condition it has enjoyed in years. The amount the two railroads will pay totals \$3,492,316.43, divided as follows:

Southern Pacific company—Taxes \$5,846,553.22, penalties \$730,819.13. Total \$6,577,372.35.

Santa Fe—Taxes \$1,703,061.40, penalties \$212,822.67. Total \$1,915,944.07.

In addition the state has suits pending against the railroads to collect interest on the protested taxes at 7 per cent per annum. If this suit is successful, the state will collect \$1,500,000.

These sums, together with the taxes recently paid by the railroads and the present surplus in the state treasury, will give a total of approximately \$14,065,000 surplus for the state.

Son Slays Invalid Parents

Cresco, Iowa.—Captain William Dunn, 45, West Point honor graduate, and overseas veteran, killed his aged parents, Mr. and Mrs. W. D. Dunn, wealthy couple, and then turned the gun on himself, dying instantly. In a note addressed to the coroner Dunn said he felt it his duty to end the suffering of his parents, both invalids, and gladly gave up his life for their good.

STORM RAVAGES
NORTHERN COASTCRESCENT CITY BATTERED
BY HURRICANE WIND\$56,000 DAMAGE IS SUFFERED IN
ONE HOUR'S BLOWGale Sweeping In From Pacific Scatters
Buildings and Cut Offs Communications—Heavy Seas Offer
Spectacular Show.

Crescent City.—Swirling in from the southwest a cyclone struck the business section of this, the northernmost coast town of California, and in a few minutes had done damage estimated at \$50,000.

Almost without warning the strong wind which had been setting in from the sea all night assumed the fury of a tornado, and under the pressure of the wind the large merchandising store of Hobbs, Wall & Co. collapsed.

Several other smaller business houses went down and numerous residences were damaged. Windows were blown out and telephone and power wires left in a tangle.

In the lumber yard of Hobbs, Wall & Co., the lumber was lifted and strewn about like toothpicks, the workers escaping injury as if by a miracle.

Several persons were injured by flying glass and splintered wood in the streets, but none seriously.

Crescent City is situated almost at sea level and as the cyclone bore down upon the town the waves thundered along the waterfront and beat around the Bay hotel and other historic structures along the front.

Foam and salt spray hit the post-office, and the walls of frail buildings along the beach collapsed.

All communication with the outside world, except for a poorly working telephone line to Grant's Pass and the recently installed government radio compass station were destroyed.

Fallen trees, slides and damaged bridges have completely blocked the Redwood highway near Crescent City, and it will be several days before the route is opened again.

DEFICIENCY BILL GIVES NAVY
\$30,000,000 FOR PROGRAM

Washington.—Thirty million dollars for the modernization of six battle ships, the conversion of two vessels into airplane carriers and the construction of two cruisers and six gunboats was the chief item in a deficiency appropriation bill reported to the house today. The bill carried a total of \$54,426,562. Provision was made for an allotment of \$8,770,120 from postal revenues for the salaries of additional postoffice clerks, letter carriers and railway postal workers, including an additional \$3,500,000 for transportation of the mails.

Among other appropriations were: New coast guard cutter for Alaskan duty; \$925,000. Construction of 500-bed hospital for Pacific branch of N. H. D. V. S. at Santa Monica, Cal.; \$1,500,000. Payments to Omaha Indians of Nebraska \$374,465. Memorial to women of World war to be erected in Washington, D. C.; \$150,000.

King George Seriously Ill

London.—The proposed trip King George will take to the Mediterranean will be his first holiday in years and his first unofficial trip to the Continent since his accession to the throne. There are many rumors here that the illness of the King is more serious than is admitted by his physicians, whose bulletins, as such bulletins usually are uninforming. One rumor is that he is attacked by virulent tuberculosis, but it is stated by those in close touch with the palace that he is suffering from nothing worse than a severe attack of bronchitis, following influenza.

Actress' Condition Critical

Paris.—Gloria Swanson, the Marquise de la Fallaise, is in a critical condition and a blood transfusion may be ordered. The seriousness of Gloria's condition was indicated by the fact that one of the physicians said cases of this kind generally recovered after the seventh day, but the Marquise was decidedly worse as the result of blood poisoning, which set in the first day after the operation.

St. Sure Is Confirmed

Washington.—The nomination of Alfred P. St. Sure to be a United States district judge for the northern district of California was approved by the senate February 23.

C. H. WHITMAN CELEBRATES 30TH
ANNIVERSARY AS CAMPBELL MERCHANT

BETROTHAL ANNOUNCED

At a very pretty party given recently at the home of Mr. and Mrs. Horace G. Keesling of Hamilton Avenue, the betrothal of Miss Carol Anna McChesney and Roy Everett Bartholomew was announced.

The cards bearing the announcement were concealed in a beautiful floral centerpiece and attached to the place cards by ribbons.

Miss McChesney is the eldest daughter of Mrs. Jessie McChesney, of San Jose and Mr. Bartholomew is the younger son of Mr. and Mrs. F. K. Bartholomew, of Campbell.

Both of the young people have many acquaintances in this community, altho the young man is better known as he is an alumnus of the C. U. H. S., being the present secretary of that organization.

CANDIDATES SELECTED

Five candidates have already put up to run for the board of trustees, which is to direct the affairs of the proposed irrigation district of Santa Clara valley, to be voted upon on March 10. The four districts and the men who have been nominated to run from these districts thus far are: District 1, Herschel Johnson; District 2, Ed Howes; District 3, Charles E. Warren and J. E. Weisendanger. Alfred Brown of District 4 announced his candidacy from that district on February 9.

All of the meetings held by members of the various districts during the week have been well attended and marked by an intelligent discussion of the needs and problems of water conservation as well as a thorough explanation of the points of the measure coming up for vote next month. Those who spoke at the meetings in the different districts were E. A. Hayes, L. D. Bohnett, Charles E. Warren, A. E. Ray, Herschel Johnson, J. E. Weisendanger, Ed Howes, A. N. Lantz, E. K. Clendenning, S. N. Hedegard, N. O. Hultburg, and Lee Hiatt.

The issue at stake in the coming election was carefully gone over for the benefit of members of the opposition who put questions from the floor at the different meetings. It was carefully explained that the election is not for the purpose of bonding the valley or any particular section but is to decide whether or not Santa Clara valley cares to thoroughly investigate for the purpose of adopting the best method of water conservation in the forming an irrigation district. The work of preliminary survey is to be at the direction of the board of seven trustees who are to represent the seven subdivisions of the irrigation district. A favorable vote at the March election will cause no construction work of any nature whatever to be begun. Before construction work is begun on the irrigation project a definite plan or plans must be submitted to a vote of those who are to pay the cost of the undertaking.

It was stated that there are to be no high salaried officials to direct the work as the entire matter will be at the direction of the board of trustees. The trustees' powers are limited, however, to the wishes of the people who will vote on whatever matters come up relative to the project.

The cost of the preliminary survey will amount to about one-half mill on the dollar of a property's assessed valuation or 12 1/2 cents on an acre of land assessed at a value of \$250. This figure was given as the maximum amount.

The remaining three districts which have not yet nominated candidates to the board are expected to do so within a few days.

March 1, 1925 will mark the Thirtieth Anniversary of the beginning of the C. H. Whitman Hardware and Plumbing business in Campbell.

The old wooden structure which has been our home for twenty-nine years is being generally remodeled. The enlarged floor-space and new arrangement of goods will permit a more complete stock and greatly facilitate the selection of the buying public.

While we shall need another month to complete our arrangements, it will be our aim to help in large measure to make Campbell your trading center.

C. H. WHITMAN.

PETER PAN BAKERY
FORMALLY OPENED

The Peter Pan Bakery and Confectionary store held its opening on Old Settlers day and Gordon Ainsley, the proprietor, is to be congratulated on his attractive plant.

The interior is all in white enamel and with seasonal bouquets on the guest tables and the display of choice candies and confections the place was most enticing.

The new bakery equipment has been installed and Chief Cook Hoelling is already steaming up to get the big oven in trim.

W C T U INSTITUTE
AT CAMPBELL MAR. 4

The regular meeting of the W. C. T. U. was held with Mrs. Kennedy on Wednesday, February 18. Following the short business meeting a program was given in memory of Miss Frances E. Willard, and refreshments were served. A silver offering was taken to help carry on the organization of temperance work throughout the world. Each local union pays at least two dollars per year for this purpose.

An institute with Mrs. Anna A. Pettit as leader, will be held at the M. E. church on Wednesday, March 4, beginning at 10 A. M. At 1:30 P. M. there will be a program of special music and address by W. J. Merrill, Mr. I. R. Abbott of the C. U. G. S. and Rev. W. E. Eckles.

A White Ribbon Recruit service will be held at 3 o'clock. At this beautiful service the mothers bring their children, promising to instruct them in purity and temperance and the White Ribbon is tied on the little one's wrist. One of the objectives for this year is the consecration of ten children as White Ribbon Recruits by each local union.

The public is cordially invited to attend any or all of these sessions.

A \$125,000 P. G. & E. sub-station is to be erected at Roseville.

R. N. Barstow, recorder of Fresno county for twenty years, has resigned.

A reopened placer mine at Scott Barr is reported to have yielded \$16,000 in ten days.

Fire which gutted the interior of a Grass Valley cleaning shop, threatened an entire block.

The Nevada Irrigation district's \$7,250,000 bond issued election has been called for March 5.

State of War in Bulgaria
Sofia.—Following clashes between Bulgarian and Serbian committees near Zaribrod, Premier Zhekov has declared a state of war throughout the country. Details of the fighting are not known, but communist agitation is responsible.

Union Army Chief Dead
Wilmington, Del.—Major General James Harrison Wilson, U. S. A., retired, last of the corps commanders in the army during the Civil war, died here.

CAMPBELL OLD SETTLER CELEBRATION
IS MOST PRONOUNCED SUCCESSOld Sol and Entertaining Program Help
Complete a Perfect Day

The valley could hardly have been favored with a more delightful day than greeted the home comers at Campbell's Old Settlers' reunion Monday. The heavens had poured forth their blessings in a bounteous rain the day before and the atmosphere was clear and warm, producing a most congenial spirit in the hearts of all. They just couldn't help feeling happy. At ten o'clock the Grammar School band under the direction of Edward Towner assembled down town and marched to the auditorium bringing with it a long procession of auditors.

The decoration committee had made the stage very attractive by the use of pots of flowers and flowering shrubs. A unique arrangement of Red Hot Pokers was very effective, and many compliments were expressed relative to the beauty of the hall, and the various school rooms which the teachers had so beautifully decorated.

After a short concert outside and a piece inside, the program was begun. Many very complimentary remarks were heard concerning the band and its leader.

The high school orchestra gave two very appropriate pieces under the leadership of Prof. Josef Halamecek, director of high school musical activities. The "Star Spangled Banner" and "America, the Beautiful" were sung by the assembly led by a chorus of mixed voices. Mesdames R. H. Hyde, W. H. Gratton, A. I. Cramer, Earl Brown, sopranos; Claud Gard, W. C. Bohnett, W. E. Eckles and D. H. Cramer altos; Messrs. D. H. Cramer, H. C. Smith, E. E. Lanphear, tenors; H. W. Morton, W. I. Merrill, S. F. Graves and W. R. Saveker, basses.

Following the invocation by the Rev. F. C. Farr, E. R. Kennedy, chairman of the day, made a short address of welcome. Two numbers were then given by Campbell's ever popular Men's Glee Club.

Dr. Paul F. Cadman, of California University, gave the address of the day on "The League of Nations Down to Date." He urged a more thorough understanding of other nations which could best be obtained by more conference. He believes the time has passed when any nation, and more particularly the United States, can shut themselves off from the rest of the world as with a high board fence and live unto themselves alone. He stated that the treaty of Versailles has proved a failure and that the League seemed to be the only method left. Arbitration tends to cool the quarrelsome and delay hostilities. If the arbitration fails nations can then fight. The

League is but the idea of an international union of sovereign countries.

Ray Thomas took his audience by storm and was roundly encouraged for his wonderful work with his saxophone.

The audience sang "America" which was followed by the benediction prayer of the Rev. W. E. Eckles.

The High School Parent-Teachers Association served a most delicious dinner in the school cafeteria which will net these enthusiastic workers about \$50 for their school benefit fund.

The band played several selections which served to reassemble the audience for the afternoon program which was continued indoors by the orchestra.

Miss Anna Schulte, who has favored Campbell audiences a number of times with her delightful readings gave a very pleasing interpretation of "Higher Culture in Dixie" and Riley's "An Old Sweetheart of Mine."

The vocal numbers by Miss Marion Copeland, a former resident of Campbell, were highly appreciated. Miss Copeland has studied abroad and is now in music work in San Francisco. Her selections were "Thank God for a Garden" by Del Riego, and "My Curly Headed Baby" by Cluesan, with "Love's In My Heart" by Huntington Woodman, as an encore. She was accompanied by Miss Burlingame of San Jose.

The other musical number was given by Charles Bubb, Jr., a remarkable young artist on the cornet, who played the "Embassador Polka" by Losey, "Somewhere a Voice is Calling" by Tate, and responded to an insistent call with "Only A Year Ago," by Albers.

Rev. G. E. Atkinson had as his topic "Our Memorials." The first part of his address followed the theme of the morning. He reviewed his connection with the boys in Khaki, and the losses of the war, regretting that the United States was not in the League of Nations. The trials and heroism of the pioneers were described and the lessons we should draw from their lives. He concluded by reading a poem of his own composition recently printed entitled "God's Sculptors" and dedicated to "My Companions on the Voyage of Life."

The chairman introduced F. H. Tibbets, who was a pioneer "son" of Campbell, now engaged in civil engineering in connection with water conservation and irrigating projects.

He spoke of three matters he believed very essential to the success of agriculture in California—Co-operative Marketing, Exclusion of Orientals, Conservation of Natural Resources. After describing several of the water projects of the state he advised the people of this valley to give careful thought and consideration to the water problem facing them.

Wet grounds prevented the boys from playing baseball, but lovers of game indulged in "horse shoes" and a large crowd witnessed a basket ball game between the High School Basketball team and the Alumni.

The contest was a rather one-sided affair, as practice and team work gave the Hi boys too great an advantage. In the Alumni group were Sam Reed, Roy Bartholomew, Elmer Hoerler, Franklin Blaine, Fritz Heinzen, Harold Shelley, and Wm. Murphy. The score by halves was 21-3 and 32-15.

The day was rounded out with presentations of "Peter Pan" at the Orchard City Theatre and a dance under the auspices of the C. U. H. S. Alumni at the Library Hall.

Games and a short program which included violin solos by Stephen Merrill, accompanied by Dr. Merrill, a vocal solo by Dr. C. Smith, was concluded with an old time sing in which all participated.

SUMMONS

In the Superior Court of the State of
California in and for the County
of Santa Clara

Genia Powell, Plaintiff, vs.

Raymond Powell, Defendant. Action
brought in the Superior Court of the
State of California in and for the Coun-
ty of Santa Clara, and the Complaint
filed in the office of the Clerk of said
County of Santa Clara.

The People of the State of California
send greetings to Raymond Powell, De-
fendant.

You are hereby directed to appear
and answer the Complaint in an action
entitled as above, brought against you in
the Superior Court of the State of Cali-
fornia, in and for the County of Santa
Clara within ten days after service on
you of this Summons, if served within
this County, or within thirty days if
served elsewhere.

And you are hereby notified that un-
less you so appear and answer as above
required, the said plaintiff will take
judgment for any money or damages
demanded in the Complaint as arising
upon contract, or will apply to the Court
for any other relief demanded in the
Complaint.

Given under my hand and the seal of
the Superior Court of the State of Cali-
fornia, in and for the County of Santa
Clara, this 31st day of May, A. D. 1924.

COMMUNITY DEVELOPMENT AND FREEDOM

We hear a good deal of talk about freedom
that we Americans enjoy on the one hand, and
the lack of it on the other; all depending upon
the person doing the talking and the subject
matter of his talk. Each has a right to his or
her views, and each is at liberty to use all legiti-
mate methods—press, pulpit, platform or
ballot—to change the existing order of things,
so long as it does not strike at the fundamental
ideas of freedom laid down by the founders of
this nation or developed by civilization through
the centuries and shared by all as a common con-
sciousness of what is right and what is wrong.

But whether, as some claim, the thousands
and one laws and regulations that seem to
hamper the free exercise of commercial relation-
ships or, more or less, retard the every-day in-
clinations of most of us, will work a long-run
injury to American institutions or cause an un-
healthy reaction, can be fully answered only by
the test of time too remote to fix the certainty.

There is one measure of freedom, however,
that appears to have been overlooked, or wisely
omitted, from the program of over-zealous pa-
triotism or of those afflicted with pass-a-law-itis,
and it is this: someone forgot to have a law
passed that would prevent towns from growing
in material wealth and population, communities
from expanding in ever-increasing programs of
civic beauty and solidarity, and citizens from co-
operating to bring the aspirations of themselves
and fellow-townsmen to fulfillment.

WHAT'LL WE DO THIS SUMMER!

Communities have their ups and downs and
spells of civic melancholy as do persons. Pass-
ing through an uncertain (and in many respects
phenomenal) winter, we all like to dream of
flowers of May, rare days of June, summer va-
cations and ripening harvests. Along with these
things it is worthwhile to think of community
activities, such as park and playground facilities,
auto camps, and municipal swimming pools. Ac-
tivities that increase and foster wholesome social
contacts bring a finer community spirit, more
unselfishness, more community spirit and hence
better local business.

BON VOYAGE

"See America" will be the slogan for President
Coolidge as soon as he gets the incidentals of
inauguration behind him. North to Minnesota,
as far west and south as Texas, forms a part of
the proposed itinerary.

We wish him a pleasant journey. He will not
be under the strain of a war period nor the stress
of a political campaign as has been the lot of
former presidents who found it difficult to en-
dure extended travel. When Mr. Coolidge goes
west he can shake hands with high-priced wheat,
spin over concrete highways, converse about
irrigation projects, breathe the air of the plains,
in fact get a glimpse of a new America so differ-
ent from the feverish diplomatic life at Wash-
ington. And he should take plenty of lunch for
it's a long time between stations.

DON'T DRIFT

Young man, get away from the crowd for a
while, and think. Stand on one side and let the
world run by, while you get acquainted with
yourself and see what kind of a fellow you are.
Ask yourself hard questions about yourself. Find
out whether you are drifting aimlessly along with
the stream or striving for a definite object. To
surge along with the crowd requires no effort
and will bring you no reward. Ask yourself if you
are making progress so that each tomorrow
finds you farther than today.

This applies not only to material things, but
to the shaping of your whole character, to your
moral, ethical and intellectual side as well, and
they are often found to go hand in hand.

One sure way of making progress is to start
a savings account which is not only saving
money but is also a character builder and is a
sure way of getting out of the rut of drifting
along, having no object in view and getting no-
where.

LINCOLN AND WASHING- TON PROGRAM

Last Thursday evening the
Campbell evening school enter-
tained their friends by present-
ing a Lincoln and Washington
program in costume.

Two playlets, "The Making
of the First Flag" and "Lincoln
Pardoning the Sentinel" were
given. There were several mus-
ical numbers and a talk by Miss
Carmichael, County Supervisor of
Americanization work. After the
program, the evening was spent
in social chat.

Refreshments of lemonade and
wafters were served.
The Campbell evening school
will be glad to welcome any new
members. Classes in reading,
writing and citizenship are being
given.

Plant Roses

WORRYING ABOUT IT

The hardest work you ever do
Is worrying about it.
What makes an hour resemble two
Is worrying about it.
The time goes mighty slowly when
You sit and sigh and sigh again,
And think of the work ahead, and then
Keep worrying about it.

Just buckle up and buckle in—
Quit worrying about it.
By work, not worrying, you will win—
Quit worrying about it.
A task is easy, once begun;
It has its labor and its fun.
So grab ahold and do it, son—
Quit worrying about it.

Edited by a Woman

WHY is the Delineator so notably a magazine of uplift, of inspiration? Why does it lead in agitating for better community life, better homes, better children? The answer is that the Delineator is the only great American magazine edited by a woman. Mrs. William Brown Meloney, being a woman herself, knows a woman's problems. And the cost of the Delineator is trivial. The special rate through Blaine's Store until March 12, is \$1.20.

SPECIAL, Essex Peas, 17c. It was just an accident that we got a few cases of peas so good to sell so low. We will have no more. While they last, 17c.

JHN KRAUT, 20c; Libby's, 15c; Eat sauerkraut and have a sweet disposition. Makes you feel fine. Doctors recommend it.

ISLETON—The Butter that betters the bread.

SEEDS—For the man with the hoe.

PRUNETAR, Product of our own "Valley of Hearts Delight." Small can, 35; half-gal. \$1.05

FAULTLESS Cracked Wheat Bread, 15c—Hard, tough chewing makes the chewers tough and hard. Saves dental bills. Our dentist says so.

Our store is big—our delivery spreads Blaine's Store all over the countryside.

P T A TUESDAY

The Grammar School P. T. A. will meet Tuesday, March 3. In addition to some important business to be planned by the club, the president is arranging for an interesting speaker. The domestic science department under Miss Farman will serve the refreshments at ten cents a plate, the money to be used in finishing payment for the curtains in that department. Time spent at the P. T. A. meetings is time well spent. Come and help the room in which you are most interested to win the prize.

Plant Roses

Mrs. and Mrs. W. T. Alexander had for Sunday visitors Dr. and Mrs. F. B. Carpenter, Mrs. G. W. Halliwell, of San Francisco, and an old time friend from St. Paul Mrs. Grace Meyer and her daughter, Miss Helen. Mr. Meyer was connected with one of St. Paul's leading banks before his death two years ago. The family have come to California to make their home and are building in San Mateo where they will reside after April 1.

Town Tales Tersely Told

Plant Roses

Horace Lea is out again after an attack of flu with complications.

Elizabeth Ross-Worden was in attendance at the community reunion Monday.

Mr. and Mrs. Claud Townsend were Campbell guests Monday at the big annual round-up.

Mr. and Mrs. Bert Campbell were week-end visitors with Campbell friends and relatives.

At the annual meeting of the Flower Lovers' Club, Mrs. Ralston Alison was elected vice president.

Mr. and Mrs. Earl Brown were Old Settlers' Day guests of their old school mates, Mr. and Mrs. W. C. Bohnett.

Mrs. Marion Duncan Parker visited the J. F. Duncan family and other "old settlers" over the holiday week-end.

Mr. and Mrs. Nic Dunphy were home for the week-end with Mr. and Mrs. R. E. Dunphy and to enjoy the annual celebration.

Mrs. M. E. Wade went to Alameda Monday to visit her son, Herbert, and family. He recently had the misfortune to again break his leg.

Rev. and Mrs. W. H. Lloyd and Mr. and Mrs. Ernest Lloyd were guests of Mr. and Mrs. W. N. Lloyd Monday while shaking hands with old friends.

Mrs. E. Loveless and daughter Miss Jennie Bird, of Lodi, were week-end guests at the P. Arnett home. Mrs. Loveless and Mr. Arnett were former schoolmates in Iowa.

Mr. and Mrs. Gilmore Duncan, nee Cecile Ellison, and little daughter, spent the holiday week-end with the F. E. Duncan family and renewing acquaintances at the "Old Settler" celebration.

Geo. S. Robson was able to be out Tuesday after nearly a week abed with a gripe attack. His son, Bernard, after indulging in a two early swimming fest up the creek, is confined to his bed with a severe cold.

Mrs. I. Zion was taken with a serious heart attack last week and her son, Edwin and wife were called from Modesto. After a rally she has been steadily improving and was able to sit up for a time Tuesday.

Ada Rebekah Lodge will hold one of its social card parties following its regular meeting, March 3. The games will begin at 8:30 in the lodge room to which the public is invited. Twelve prizes are to be given.

The Grammar School board treated the pupils of Campbell school to a seat to see Peter Pan Tuesday, arrangements for a special rate being made with Manager Saso. The children and teachers are very grateful for this opportunity and extend their thanks to the Board.

Monday, March 2, the Country Woman's Club will meet for consideration of the Work of Special Government Bureaus. As part of the program, Miss L. Sitzenstock, Supervising Nurse of the Good Cheer Center, will speak. The program is at 3 o'clock and visitors will be welcome.

Mrs. O. A. Putnam and Mr. and Mrs. R. Wayne Sanders visited the new Legion of Honor Memorial Art Museum at San Francisco Sunday. A number of the most famous paintings of France have been loaned by that country and are now there on exhibit. Mrs. Putnam says it is well worth one's trip to see this wonderful display alone.

The Chemistry class of the C. U. H. S. under the direction of Miss Claribel Boesch, spent yesterday in San Francisco where they visited the Leslie Salt Works, W. P. Fuller Paint Co., Goodyear Rubber Co., and Stauffer Chemical Co., getting an idea of the very important part which that branch of science plays in many modern industries.

NEW FLAGS FOR STREET DECORATION

One of the pleasing features of our "Old Settlers" day, was the uniform decoration of Campbell Avenue with the American flag, of the same size and height it was a welcome change from the old idea of all sizes, and hung in every conceivable manner. Our business men and residents were very willing to respond to this idea of the American Legion. Those who have bought a flag to add to the beauty of our village are:

Campbell Lumber Co., J. C. Ainsley & Co., B. O. Curry, L. M. Beall, G. B. Sunseri, Horace Lea, Pollyanna, C. H. Whitman, Kennedy & Farley, Theodore Cutting, D. R. Rose, Sadie Maxton, Mary Lanphear, E. W. Preston, A. Saso, Mercantile Trust Co., John D. Blaine, A. B. Gilson, Farmers' Union, Miller's Store, R. C. Leavenworth, L. W. Castro, A. T. Davey, Library, Mrs. O. A. Putnam, C. E. Berry, Mrs. M. E. Wade, Dr. G. E. Stallman, A. E. Brydon, Dr. W. I. Merrill, T. H. Martin, Mrs. Ralph Hyde, Mrs. E. R. Smith.

If there are others who would wish to order flags the Country Woman's Club will be very glad to forward the order for them.

Plant Roses

Congregational Church Special Lenten Services

Beginning next Sunday morning there will be held in the Congregational church six special Lenten services. Instead of holding a week of meetings, special stress will be made upon the services of the Sundays between now and Easter. Rev. George Marsh, who has occupied the pulpit here last Sunday and who gave us so inspiring a message, will come for the first two Sundays in March to assist in these meetings. Mr. Marsh will speak next Sunday morning at 11 o'clock. A most cordial invitation is extended to all who look to this church as their church home and to any in the community who have no local church affiliations, to come and share these special meetings. There will be good music, a stirring message, and a warm spiritual atmosphere. Come and bring your family and friends.

William E. Eckles, Pastor.

Mr. and Mrs. R. A. Shearer spent the week-end holidays at Capitola-by-the-Sea.

Mr. and Mrs. C. E. Hanger and Miss Olive, spent the week end in San Francisco with their friends, the McLernons.

Mr. and Mrs. E. E. Doran (nee Mable Oliver) and daughter enjoyed meeting old friends at Campbell's home-coming Monday.

W. H. Woodbury was taken suddenly ill Monday and Dr. Merrill was summoned at once. At last report he was resting quite comfortably.

Special Lenten services will be held at the Congregational church, beginning next Sunday. Rev. George Marsh of Ojai, will be in the pulpit Sunday morning.

Mr. and Mrs. D. R. Oliver, of Modesto, were week-end guests of the E. A. Barker family and met many an old timer at the settlers convention in Campbell Monday. By the way, Dave, is one of the fig producers of Juquin Valley and is waxing fat at it.

Mrs. E. G. Ainsley was hostess Tuesday at the second in a series of small at home parties. Mah jongg and bridge were the diversions of the afternoon. Mrs. R. A. Shearer won the bridge prize at her table and Mrs. R. G. Archibald and Mrs. E. R. Kennedy the mah jongg trophies.

Archie Steindorf and Joe Gomes are now talking about, full fledged lawyers, with most winning smiles. Why shouldn't they? They just received word that they had passed the California bar examination, one of the hardest in years. We rejoice with you, boys.

Journalism is going to the dogs. For a long time now scandals have crowded out startling statements from Edison and Bryan.

Solution will appear in next issue.

Long Beach turned out thousands to give a proper sendoff to the city's first Hawaiian trade excursion which sailed, January 31, on the liner City of Los Angeles.

Police Captain Charles Goff, San Francisco, accepted appointment as divisional prohibition chief of northern California after several times declining the office.

California may get one of the five hospitals soon to be established by the federal government for the care of World war veterans who are victims of the narcotic habit.

A graduate "honor" convict, whose name is withheld, took with him \$328 earned in state work, when he was released—the largest amount ever accumulated by a prisoner.

ORCHARD CITY GRANGE FOR CONSERVATION

Mrs. Nora McMurdo sang "The Song of the Hills" and "Swing Low, Sweet Chariot," during the lecturer's hour at the Grange Tuesday evening, being much appreciated by all present.

E. A. Rae gave an address on Water Conservation. He had read over the proposed measure carefully and discussed all of its features in a thoroughly intelligent manner. This bill is so framed that those who receive most benefit pay the most and those who receive little or no benefit will pay little or nothing. At the present time it was stated that it was costing from \$40 to \$75 per acre for irrigation water. Wells are having to be put down deeper and water is becoming more expensive all the time while we have had a number of dry seasons and there has been little water run to waste. The statistics of the last survey show that the average amount of water running to waste into the San Francisco bay from Santa Clara valley each year is sufficient to cover 240,000 acres one foot deep. While it is not supposed that all of this water can be saved for irrigation purposes, it is possible to hold back a large part of it and that at a price the farmers and fruit growers of the valley can well afford to pay, and to allow it to go to waste means an enormous loss not only to the cultivators of the soil but to every resident of this valley.

The election of March 10, is to decide the formation of the district and to elect a board of directors or trustees to establish such districts and to proceed to get full and complete estimates on the whole cost of the undertaking and to apportion or assess the cost to the various districts and to each individual according to the benefits to be derived. Then their findings have to be advertised so that all can see what has been done, and if any persons are dissatisfied a date is set for hearings and everyone has an opportunity to present his case before the trustees who must take the facts presented under advisement and make suitable adjustments wherever any injustice seems to appear.

The object of this nudertaking is not only to store up waste water in reservoirs in the hills to be used directly for irrigation purposes but also, as far as possible, to hold back water that now goes to waste and cause it to soak into the soil, thus filling up the underground gravel beds which are the natural water reservoirs of this valley. It is stated by competent engineers that this valley has ample water supply in the form of rain one year with another for all agricultural and domestic needs. But if a large part of this bountiful supply is annually allowed to run to waste out into the bay, while the population at the same time is rapidly increasing, we shall soon come to the time when our water shortage will be an extremely serious matter.

A circular letter put out by people who are for some unaccountable reason opposed to water conservation, was read by Mr. Rea and many of their statements shown to be extremely misleading if not absolutely false.

To my personal knowledge many of those who have given freely of their time and money for several years to further the cause of water conservation, are citizens of the highest character and are serving the interests of the people of this valley with no thought of personal remuneration in any form further than what may naturally come to them as water users.

Do not forget the date of election, March 10. Every legal voter can vote at this election. The trustees elected are only to receive reasonable compensation for time actually engaged in necessary work and are at all times subject to recall. The present committee has no funds with which it can send out circulars of information, but is endeavoring to raise money by private subscription by which it can publish the facts regarding this movement.

A resolution endorsing the water conservation program was presented by Stanley Smith and was passed by the grange without opposition.

George Fitzgerald favored the grange with two of his most enjoyable songs "Bonny Mary of

Argyll" and "Mother McCree." Mrs. Shelley spoke of the prosperous condition of the Central California Poultry Association.

Mr. Newcomb read a paper on summer flowering bulbs.

Mr. Coupland spoke on spraying of apricots for brown rot and advised that it should be done at once.

Mrs. Parkhill read a paper on Home Economics, telling how to prepare wheat meal by grinding the wheat through the meat chopper.

Charlotte Waddell.

Word was received the first of the week telling of the death Saturday after a long illness of Mrs. Charlotte Waddell at the home of her brother, Thos. Gardner, at Napa. The funeral was held Monday under the auspices of the Ivy Rebekah Lodge of Napa, of which she was a member.

Mrs. Waddell was 64 years of age, a native of Rushville, Ind. For several years she lived at Campbell where she made many friends who mourn her death. She is survived by her brother, Thos. Gardner, three nieces, Thelma Potter, Helen McDaniels and Mrs. Oakley Hermonson. Mrs. N. H. Weaver of San Jose attended the funeral services.

Today and Tomorrow

**February 27 and 28
Congregational Church**

THERE will be a special lecture and demonstration to teach the wide-awake housewife the most modern methods of making and baking delicious cakes, icings and fillings.

You can see and taste these rich, delightful cakes prepared and baked before you. You will learn how light and "feathery" perfect cakes can be.

Of course, MAZOLA, the perfect shortening, is used in all cakes. Because Mazola is a pure vegetable oil, your cakes are always light and tasty—never soggy and heavy.

Bring your pad and pencil. You will need them to take down some of the newest, easiest and quickest ways of preparing really wonderful cakes.
